

In Swahili Rafiki = Friend. Being a friend to the world means making sure everyone gets the opportunity to lead the life they want. We ARE fundraising handmade Rafiki bracelets to help Kenyan artisans earn money for themselves and their families so they can send their children to school and take charge of their future. Rafiki bracelets are made by Kenyan artisans and can be purchased by the Howard Community for **\$10.00** each.

Rafiki bracelets are:

- Made with colourful glass beads threaded onto a stretch 48" cord
- Wear it your way - as a bracelet, necklace, anklet, headband, give as a gift and more!
- Includes a WE charm

Every Rafiki bracelet makes an impact in three ways:

- It helps the artisan who made it earn a living and save for the future
- It provides a tangible impact, like school supplies to a member of a developing community
- It allows us to fundraise for a cause we care about

All proceeds collected after expenses will be donated to WE Education Fund.
