## HOW CAN SOMEONE DONATE TO ME?

- 1 By cheque or cash
- 2 Directly to my school at [terryfox.org](http://terryfox.org)
- 3 Directly to me on my online fundraising page (*see below*)

## HOW DO I COLLECT PLEDGES?

### ON PAPER

Use your pledge sheet to ask relatives and family friends in person for cash or cheque donations. Fill in all their info on the other side of this sheet, and hand it in to your school with the donations.

### ONLINE

Go to [terryfox.org](http://terryfox.org) to set up your private student fundraising page. You can upload pics of yourself and a message to ask for donations. Once you're signed up, you'll get a link to share with family and friends, or through your parent's/guardian's email, or by social media.

### COMBO: ONLINE +PAPER

Using both methods is a great way to reach more people. When Terry ran, he didn't have the Internet to help him. He had his voice and a telephone. To honor Terry, let's pull out all the stops and do our very best too.

*"I got so many donations when I sent my link out to all my relatives in England, after I created my fundraising page at [terryfox.org](http://terryfox.org). Then my mum and dad shared my pledge sheet with their office friends. It was so easy for me to reach my goal and now I have a page on the website that I can sign into every year." Khylla WM., Wm. Berczy PS*

### Are there any tips online to help me fundraise?

Go to [terryfox.org](http://terryfox.org) under the School Run page to find some fundraising tips to help you meet your fundraising goal.

## You Make This Possible

When you and your sponsors give to The Terry Fox Foundation the ripple effect of that contribution can be felt through more than 75 different cancer research projects spanning a variety of different sites.

Terry wanted money raised in his name to fund the best and brightest researchers and scientists in Canada.

Here are only a few of the many different types of cancer research that are made possible thanks to your generosity.

Lung cancer  
Breast cancer  
Ovarian cancer

Colorectal cancer  
Pediatric cancer  
Prostate cancer

Brain cancer  
Blood cancers

## MEET DAVID

### Star Wars Fan, Cancer Survivor

When I was three, the doctor told my mom I had cancer. It was in my kidney and super duper big. It was scary and we had to go to the hospital all the time. My favourite nurses were Pam and Jean. They were always really nice and played games with me. There was a clown named Molly too. She played jokes and let me use her noise maker!

I had to do a lot of chemo and then I had a big surgery. On my last day of chemo I got to ring the bell and have a chocolate cake! The bell tells everyone you're all done. That made everyone really happy – especially my mom.

Today I am 7 years old and in Grade 2. My favourite part about school is math and speaking French. While I can't play some sports like hockey, that's okay because I like running and horseback riding better anyway. I'm the only kid in my class to have had cancer. I love animals and share my home with two cats named Cypress and Seymour, one fish, one dog and a horse named Jake!

My mom says thanks to all the money raised for cancer research I'm doing great. I told her that if I had a genie with one wish, I would wish for all cancer to be gone. Thank you so much for fundraising for cancer research and helping kids like me.
